## Description

Here we have a popular 2014 Volkswagen Passat 2.0 TDI 140 Bluemotion Technology Executive estate manual which has covered just 58,000 miles. Serviced at 7,000, 12,000, 23,000, 38,000 and 50,000 miles. A nice low mileage example; most of these passats at this age have covered well in excess of 130,000 miles! Specification includes full black leather seats with front heating, sat nav, DAB radio, electric windows front and rear, full size spare tyre, privacy glass, air conditioning, roof bars, front and rear parking sensors, cruise control, autolights and wipers, remote central locking with 2 keys. Economical to run being the bluemotion model which benefits from having £35 road tax and 61.4 mpg on the combined cycle for fuel consumption. Drives well with a practical boot. Overall if you are looking for a low mileage practical estate vehicle with a good specification and service history this is well worth coming in to see.
