## Description

Here we have a 2020 1 owner Tesla Model 3 Long Range AWD which has covered 74,000 miles. The 78 kWh battery provides a maximum claimed range of 348 miles when new, meaning longer journeys are easily achievable. For convenient home charging, a full charge using a 7kW charger takes approximately 12 hours. When you're on the move, the fastest public charging time from empty to 80% is just 26 minutes, making it a practical choice for those who need to quickly top up. We offer finance; you can use our helpful calculator on our website. 15.4-inch center touchscreen, Faux-leather upholstery, heated seats front and rear, 17-speaker premium sound system, Satellite view maps with live traffic climate AC, Tinted glass sunroof, In good condition inside and out; drives well. All of our cars come with a national parts and labour warranty for 6 months. We also offer finance and a part exchange service. HPI checked and we do not charge admin fees.
