Description

Here we have this 2 owner 2020 Tesla Model 3 Long Range AWD with 36,000 miles. The 78 kWh battery provides a maximum claimed range of 348 miles when new, meaning longer journeys are easily achievable. For convenient home charging, a full charge using a 7kW charger takes approximately 12 hours. When you're on the move, the fastest public charging time from empty to 80% is just 26 minutes, making it a practical choice for those who need to quickly top up. In good condition inside and out; drives well. We offer finance; you can use our helpful calculator on our website. The vehicle benefits from having white leather, 19 inch alloy wheels, panoramic glass roof, heated seats, rear camera, satnav and 2 keys. In good condition inside and out; drives very well. Overall if you are looking for a long range model 3 with the upgraded white leather interior and larger alloy wheels this is well worth coming in to see. All of our cars come with a national parts and labour warranty for 6 months. We also offer finance and a part exchange service.
