Description

This highly sought after 2012 VW Golf Edition 35 2.0 Gti Automatic 5dr bridges the gap between the standard GTI and the Golf R by using a de tuned version of the Golf R engine (EA113) with 235PS mated to a 6 speed DSG automatic gearbox. The standout features of the edition 35 are 18" Watkins Glen alloys, gloss black mirror caps, deeper side skirts, deeper front bumper, dark LED tail lights, 15mm lower suspension than a standard Gti, iconic retro golf ball gear knob, 35 badging on the wings and door sills and pinstripo seatbelts. This particular car also has full black leather interior with seat heating, rear top spoiler, privacy glass, upgraded audio unit with apps control, apple car play android auto and google connect, bluetooth, auto lights & wipers, electric windows, electric door mirrors, isofix, leather multi function steering wheel, and remote central door locking with 2 keys. It has covered just 70000 miles with good service history and an MOT until May 2027 with no advisories. See more at carsofchichester.co.uk. All cars are Hpi checked and are covered by a national warranty and 12 Month AA cover as we are part of the approved dealer scheme. Finance and Part exchange are available.
