Description

Here we have a rare opportunity to purchase a 2003 limited edition Mazda MX5 1.8 hardtop convertible Montana with a production run of only 500 made in total (250 in this racing green colour). The car has only done 20,800 miles from new, using the 1.8i engine mated to a 5 speed manual gearbox. The car features unmarked Beige coloured interior with the benefit of heated leather seats and Nardi wooden steering wheel and gear knob, 15" alloy wheels, Montana badges, and air conditioning. The car will come with a service and 6 month warranty for the new owner. These MX5s are becoming increasingly desirable to collectors and with this mileage and limited edition rarity, this could be the ideal 2 seater convertible for the summer. See more at carsofchichester.co.uk. All cars are Hpi checked and come with warranty
