Description

Here we have a toyota celica 1.8 vvti petrol automatic with one owner from new and only 48,500 miles, which was originally from the channel islands. The cars specification includes unmarked 16 inch alloys, electric retractable sunroof, electric windows, electric mirrors, touch screen entertainment radio, air conditioning, power steering and central locking. The car has a fantastic service record at the following intervals in kilometres (1,200, 4986, 8989, 15,296, 23,048, 29, 887, 38,740, 45662, 54800, 67787, 70,986 and 77,260). This model of celica is very rare with the automatic gearbox with no other examples advertised for sale on the popular vehicle selling sites. If you are looking for a well maintained japanese petrol automatic coupe with a good size boot this is well worth a look. Future classic.
