Description

Just arrived and selling on behalf of a long standing good customer this rare 2003 LHD R Vision Condor 1340 twin slide out motorhome on a Workhorse chassis and fitted with a Chevy V-8 8.1L Petrol automatic and a GVW of 7486kg. It has had just 2 owners from new and done a mere 22000 miles with service history and MOT with no advisories until April 2020. This 10m motorhome has had very little use and comes with a fantastic array of features. The twin electric slide outs increase the size of the rear double room complete with fitted wardrobes, air conditioning, hot air heating and TV. The large side bathroom consists of a separate neo angle shower cubicle toilet and basin which opens on to a corridor with french windows. The middle dinette has a table and seating for at least 6 people and converts in to a small double bed. Opposite is a well equipped kitchen with full size fridge freezer(new in 2014) a gas 3 burner hob with oven, 1 1/2 sink, microwave and comes complete with crockery, utensils, pots & pans, kettle and toaster. There is also a sofa bed which pulls out into a double bed and a third travelling seat. Up front are two leather swivel seats, air conditioning, rear camera, TV and cab fans. It is fitted

with a petrol generator, large LPG storage tank, large 42 gallon black & grey waste tank, 55 gallon on board water tank. There are a mixture of UK and American plugs and a UK hook up system. Outside has plenty of storage lockers, satellite aerial rear ladder, side awning, self levelling hydraulic jacks. outside shower and electric steps. This vehicle is ready to go and ready to be lived in. See more at carsofchichester.co.uk. Some library images have been selected
