## Description

We are privileged to be able to offer this beautiful 400bhp Jaguar S Type 4.2 V8 R Auto on behalf of its celebrated Jaguar racing driver Peter Sargent who has always been a Jaguar fanatic racing between 1954 and 1964 including the Le Mans 24hr when he finished 5th in 1962 with co driver Peter Lumsden. Sadly his beloved S Type V8R is now surplus to requirements and he is looking for a good home for this car. It was registered in May 2006 and previously owned by Jaguar engineering until it was bought by the current owner from Doves Jaguar in Oct 2007. The service history is as you would expect is exceptional having been serviced by Jaguar main dealers at 8000, 22000, 34000, 39000, 47000, and 53000, and a well known local Jaguar specialist at 61000, 66000, 73000, 77000, 80000, 83000 and in February 2020 at 84000 with an MOT with no advisories. It is in wonderful condition inside & out and drives very well. See more at [carsofchichester.co.uk](http://carsofchichester.co.uk)
