Description

This rare BMW Alpina B3s 3.4 E46 switchtronic convertible is number 82 out of a reputed 161 made according to the Alpina register and has only covered 71000 miles with service history at 4000, 17000, 35000, 51000, 61000 & 68000m and only 3 owners from new. This vehicle was sold by us to the last owner in 2013 at 61000 miles and is in superb condition inside out. The B3s was built by Alpina between 2002 -2006 and based on the BMW E46 with a hand built 3.4 Litre inline 6 cylinder engine. It has a 5 speed Switch Tronic Automatic transmission. Noticeable interior changes include Alpina door sills, electric heated sports seats with memory and Alpina overmats. Exterior includes front chin spoiler 18" Alpina alloys which are unmarked, B3s rear badging, rear boot lid spoiler and Alpina specific dampers with Eibach springs. This car is finished in mystic blue metallic with light beige Montana full leather and a dark blue electric soft top with glass heated rear window. It also has auto lights, remote central locking with 2 keys, cruise control, leather multifunction steering wheel with switch tronic gear change buttons, BMW professional Satellite Navigation with CD, electric windows, electric door mirrors and rear parking sensors.
